

Internship Grant

COURSE REQUIREMENT

Applicants must be able to register an *elective* Work Experience or Internship course during the semester of their internship and Internship Grant. **Experiential courses that are required for your degree do not qualify for this grant.** Students should verify with their PACT Mentor or HEOP / COP Counselor that they are eligible to register this course, have room in their degree audit, and have room in their semester schedule for one of the above courses before applying for the Internship Grant.
