

## Internship Grant

### ELIGIBILITY

All applicants must be full-time matriculated undergraduate students with a bachelor's degree in progress at Mercy College during their internship and intend to continue their education at Mercy College (Exception, final semester seniors). The Mercy College Internship Grant is only available to US Citizens or Permanent Residents.

A grant recipient may only receive Internship Grant funding once during their academic career at Mercy. Students who previously received Internship Grant funds are not eligible to receive future Internship Grants.

Once you've established that you're eligible to apply, review the requirements to ensure that your internship meets the required qualifications.

#### Academic Standing and Requirements

All applicants must have completed 30 credits by the end of the semester in which they apply. For example, students apply during the Fall semester for Spring grants. During that application cycle, students must complete 30 credits by the end of the Fall semester to be eligible for the Internship Grant.

All applicants must have completed at least two semesters of a bachelor's degree program, at Mercy College or a transfer institution, by the end of the semester of application.

All applicants must meet SAP (Satisfactory Academic Progress) with a minimum cumulative GPA 2.5 at the time of application.

All applicants must be in Good Academic Standing with the College (page 282 2016/17 Course Catalog) at the time of application and at the time of awarding of the grant. **Grant recipients who will be on academic probation during the semester of their internship will no longer be eligible to receive the grant.**
