

# WHY HIRE A MERCY INTERN?

When you recruit a Mercy Intern, you not only gain a hard working student to help lighten workloads, you also create opportunities for interns from our diverse student body to demonstrate the skills they have gained from their education. Many employers hire interns who are then converted into entry-level full-time employees, since they are already familiar with the culture and have proven themselves.

# UNDERGRADUATE INTERNSHIP PROGRAMS

An internship is a form of experiential learning that integrates knowledge and theory learned in the classroom with practical application and skills development in a professional setting. The Employer Relationship Team can partner with Employers who want to recruit Mercy interns in a variety of ways:

- Assist with the development of new internship opportunities within an organization
- Assist with sourcing and recruiting for new and existing internships
- Organize on-campus recruiting, employer site visits, or other brand-building events
