F. You will receive a score out of 100 after your resume has finished processing. You have 10 attempts to get your score as high as possible! We recommend having your score at least 80 or above before uploading onto <u>Handshake</u> for final review.

- G. Now that you have your score, you can review the different sections to learn how to improve your resume! By clicking on "Impact", "Presentation", and "Competencies", you can find direct feedback on changes. You can view feedback on the resume by putting your mouse over the red highlights to view the hover text.
 - a. To get your score up quickly, you can first focus on the Presentation section, but to get the highest score possible please review all the feedback
 - b. If you are struggling with the necessary changes, please schedule an appointment with your career coach on <u>Handshake</u> or email <u>cpd@mercy.edu</u>
