

EMPOWER STUDENTS FOR LIFE AFTER CLEMSON

Integrate Core Competencies to Elevate Readiness

Elevate Readiness

Elevate Readiness, Clemson University's core competency initiative, leverages learning partnerships with students, faculty, staff, and employers to promote proficiency within durable skills.

Core Competencies

Engagement

- Communication
- Collaboration
- Leadership

Innovation

- Adaptability
- Analytical Skills
- Technology

Professionalism

- Self-Awareness
- Integrity & Ethics
- Brand

Partner for Student Success

Together, we can build a foundation empowers students to navigate what's next by engaging in learning experiences that challenge and support their development of transferable skills.

Align the Student Experience

- Map the competencies to an existing course.
- Integrate discipline-specific, high-impact learning experiences.
- Measure student competency growth with tested proficiency levels.
- Expand your toolkit with resources from the Elevate Readiness Applied Learning Library.

Contextualize Learning

- Articulate the value proposition of courses, programming, and services.
- Integrate tailored workshops with interactive skill practice facilitated by CCPD.
- Embed plug-and-play asynchronous modules.
- Promote experiential learning through internships and Cooperative Education.
