- Dean's List: Fall 2020, Spring 2021

EXPERIENCE

Research Assistant

February 2023 – Present

Analysis of Voice and Hearing Laboratory | East Lansing, MI

- Collaborated with 5 research assistants to identify research goals and limitations
- Worked in a team to plan outreach, scheduling, and processing of patients
- Input patient data and research notes to ensure files were updated in a timely manner
- Greeted patients, collected data forms, answered phones, and provided answers to patients
- Cleaned and inspected equipment between sessions to ensure proper function

Volunteer

September 2022 – December 2022

Origami Rehabilitation | Mason, MI

- Performed a variety of tasks, including cleaning, patient transportation, and data input to ensure patient comfort and operation efficiency
- Participated daily in various residential and outpatient activities including cooking, being a conversation partner, and cognitive and physical strength actions to assist patients in reaching rehabilitation goals

Daycare Assistant Teacher

May – August 2019, 2020, 2021

Kangaroo Learning | Ionia, MI

- Created a welcoming and fun atmosphere for children aged 6 months to 4 years
- Assisted in daily activities such as reading, snack/mealtime, coloring, and outside play
- Provided a safe environment for the children by keeping a watchful eye on all activities, intervening when necessary, and understanding emergency protocol
