Overview

Big Interview is an online system that combines training AND practice to help improve your interview technique and build your confidence.

You have at your disposal a variety of tools including:

- Challenging, virtual mock interviews for all experience levels and dozens of industries
- A database of thousands of interview questions with tips on how to answer them
- The ability to rate and share your interview answers for feedback
- A comprehensive video training curriculum covering all aspects of landing a job
- A step-by-step interview Answer Builder for crafting answers to behavioral questions

Register for Big Interview

STEP 1: Go to https://missouri.biginterview.com/ and click "Register".

STEP 2: Complete registration process using your MU email account

STEP 3: You'll then receive a confirmation email at your MU email address. Click "Verify" in the email, and you'll be able to start using Big Interview.
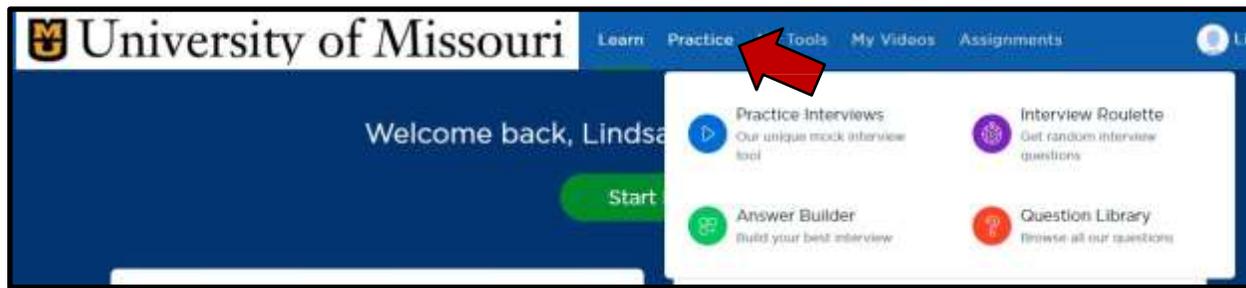

Getting Started

Once you have verified your account, you will be directed to the landing page.

- The Fast Track and Mastery Track options provide information on how to use the interview tools featured on Big Interview.
- These modules can also be accessed through the *Learn* tab in the top menu bar.

To get started on interview practice, select *Practice* from the top menu bar. You have the option of selecting:

- *Practice Interviews* – specific sets of interview questions categorized by industry, skill set, etc.

- *Answer Builder* – craft the best answer to behavioral questions using the S.T.A.R. approach.

- *Interview Roulette* – practice interview questions chosen at random while you're recording your answers

- *Question Library* – need more practice with one or two specific questions? Select those questions from the library to get more experience with answering them.

Reviewing Your Interviews

- To review your answers to the interview questions, click *My Videos* in the top menu bar.
- To review your S.T.A.R. stories, click *My Tools* in the top menu bar and then select *My Answers.*

Completing an Assignment

In some cases, your course instructor may ask students to complete a question set as part of a class assignment. Please read the instructions below for guidance.
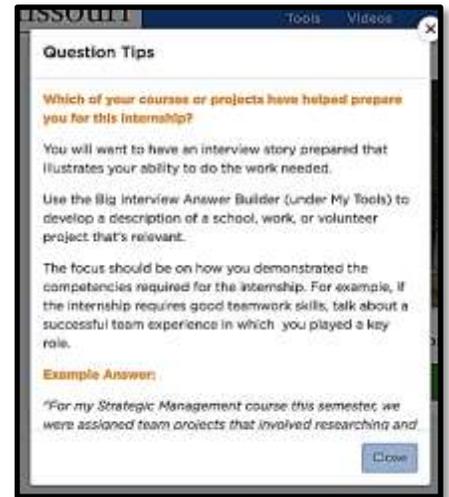

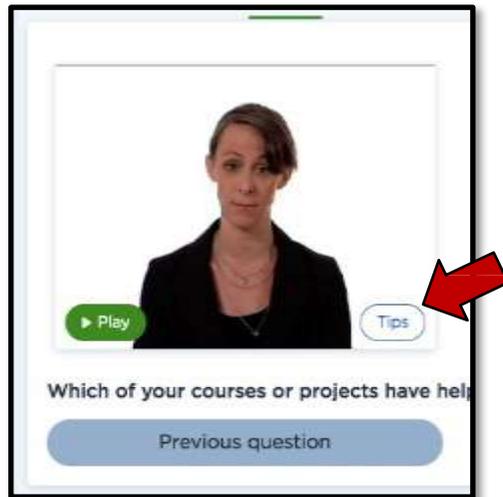

- Click on *Assignments* in upper right corner.

- Enter the *assignment code* in the box provided and click *Go.*

- The assignment will appear on the next page. The required questions are on the left hand side so you can get an overview of what to prepare prior to recording and submitting your answers.

- When ready, click *Play* for the first question. You will hear an audio recording of the selected question. Once the question is completed & you are ready to respond, select *Click to record* your response. *Be sure to look into the camera (not at the screen) when recording your answers.*

- After you have recorded your response, you can *Play, Save or Re-Record* your answer submission.

- Once you are pleased with your response, you must click *Save* in order to upload. Then click *Next question* to move on.
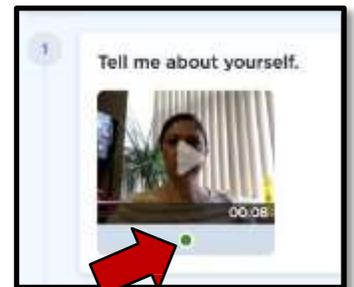

- Certain questions will have a tips section. Select *Tips* and a suggestion box will appear.

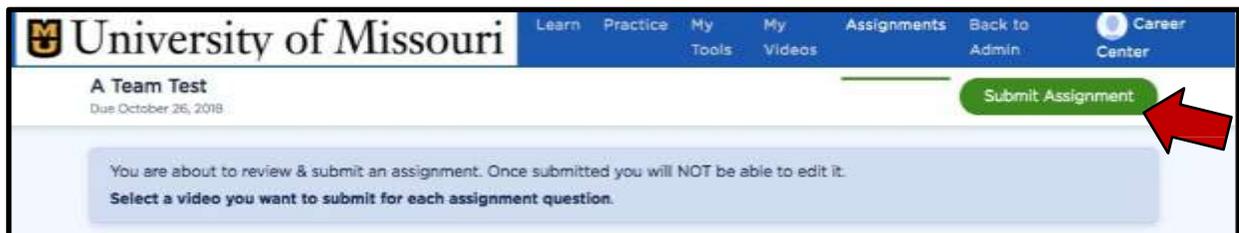

- After you have answered all the questions, click *Finish Assignment*.

- You will then be directed to the review assignment page. On this page, you have to select the videos to include by clicking *the circle* under each video. If you are not pleased with your videos, you can re-record and upload new videos.

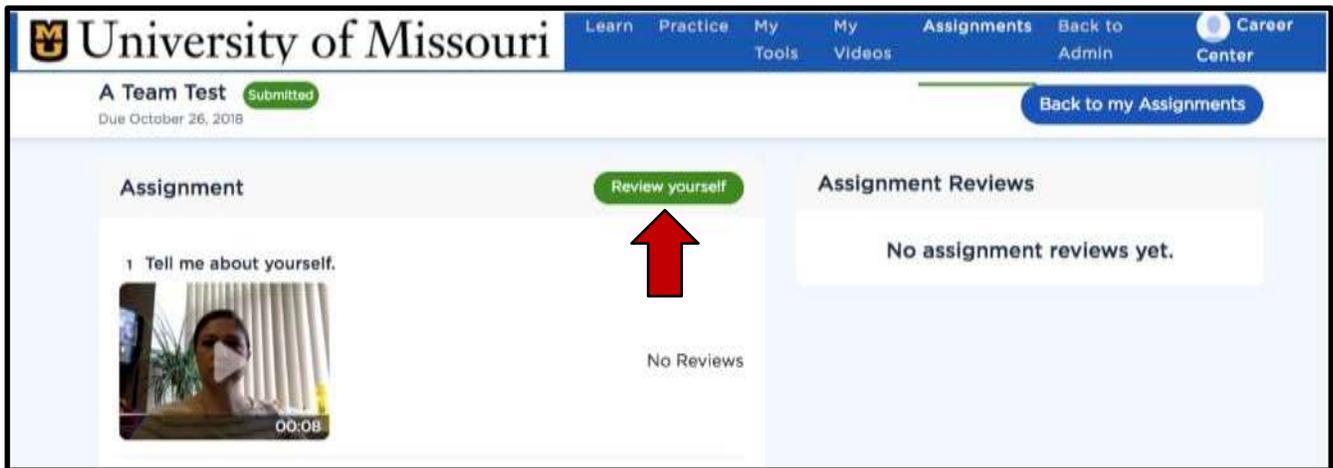

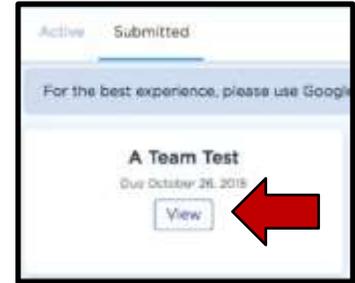

- After you have selected one video for each question, click *Submit Assignment.*

- In order to verify that your assignment was properly submitted, select *Assignments* from the menu bar and click *Submitted*. If successfully submitted, the assignment appears on the page.
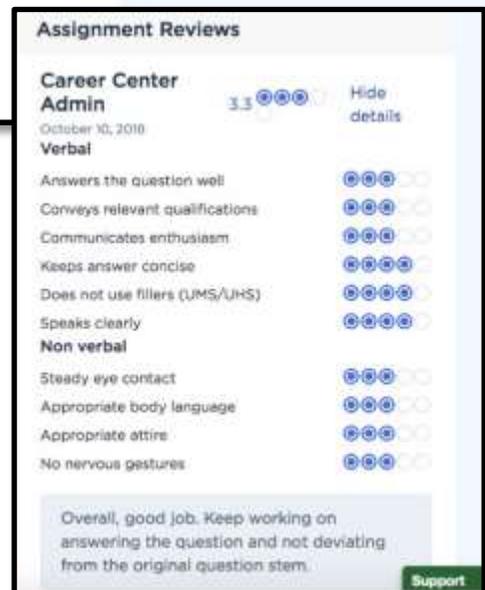

Assignment Reviews

- If you have any interest, you may review yourself before getting a review from your evaluator. While in the submitted assignment section, select *View*.

- Your submission will appear and next to the assignment name there will be an option to *Review yourself* in green.

- In the submitted assignment, you have the option to view the reviews from the evaluator, once they are available.

- To access the reviews and additional information, select *See details.* Your score breakdown and rater comments will be visible.

- **If you're in need of assistance while using Big Interview,** select *My Tools* from the top menu bar and click *Help Center* which includes articles and tutorial videos.

- Another route for assistance is the *Support* function located in the lower right-hand corner.

- Once the support function is engaged, you can *Enter a question, keyword or topic*, select from the list provided, or *Contact Support* directly to help locate answers to your specific questions.
