

BUILD A CAREER IN TECH WITH RESILIENT CODERS

Classes run from 8/3/26 - 12/18/26

Resilient Coders is a FREE bootcamp that trains talented individuals from underrepresented backgrounds for high-growth careers as software engineers.

1 WHAT WE OFFER

- **5-Month Technical Program:** Learn full stack development skills
- **Financial Support:** Receive a $500 bi-weekly learning stipend while enrolled in the program
- **Career Readiness:** acquire freelancing skills, professional development, networking opportunities, and structured post-program job search support
- **100% Remote:** All classes are online!

2 WHO IS ELIGIBLE?

- Low income (based on HUD guidelines)
- Minimum High School Diploma or GED (We do not consider anyone with post graduate degrees)
- Resident of the Greater Boston or Greater Philadelphia Region
- Authorized to work in the U.S.

3 WHAT IS THE APPLICATION PROCESS?
