

University of North Texas
Employment Preference For Former Foster Youth Form

As authorized in Chapter 672 of the Texas Government Code, an individual who was under the permanent managing conservatorship of the Department of Family and Protective Services on the day preceding the individual's 18th birthday is entitled to a preference in employment with a state agency over other applicants for the same position who do not have a greater qualification. An individual is entitled to an employment preference only if the individual is 25 years of age or younger.

Are you currently 25 years of age or younger AND were a Foster Youth under the Texas Department of Family and Protective Services on the day before your 18th birthday?

If yes, are you currently 25 years of age or younger?

The required preference does not compel University of North Texas to appoint an individual who qualifies for a Former Foster Youth Preference. Individuals who qualify for a Former Foster Youth Preference are entitled to a preference in employment over other applicants for the same position who do not have a greater qualification. The position of private secretary or deputy of an official or department; or an individual holding a strictly confidential relation to the employing officer are excluded from this preference.

Individuals applying for an employment preference in accordance with this act may submit verifying documentation. To qualify for a Former Foster Youth Preference, verifying documentation must be submitted prior to offer of employment.
