## National Student Employment week

National Student Employment Week has come and gone. We would like to give a huge thank you to all participating supervisors and departments. Through the things we heard in person and saw in e-mail and social media, it looks like we had some great celebrations all around campus!

This was the first year that Student Employment collaborated with the College of Merchandising, Hospitality, & Tourism to host the SEOTY event at The Club in the Gateway. When we walked into the venue we were blown away. Everything from the check-in table, the centerpieces, stage, food and service was excellent. This was a learning experience with an event this large for the faculty, staff and students. JOB WELL DONE!!!! We are thrilled with the results.

### THANK YOU to:
