## EXPERIENCE

ABC Parks and Wildlife Lewisville, TX

**GIS Specialist** Jan 2022 – Dec 2023

- Collaborated with cross-functional teams to integrate GIS data into business intelligence systems, enhancing data-driven decision-making processes and achieving a 96% adoption rate
- Conducted spatial analysis on multi-layered datasets covering an area of 1000 square miles and used QGIS Desktop to identify patterns and trends for urban planning initiatives
- Updated maps using AutoCAD software for 50+ road networks, 100+ address points, and 150+ other features

XYZ City Municipal Plano, TX

**GIS Analyst** Jan 2020 – Jan 2022

- Utilized local flood and LOMA data from FEMA to create predictive models and planimetric shapefiles in ArcGIS resulting in the identification of high-risk areas and enabled targeted mitigation strategies
- Produced GIS electronic maps for 25 counties during a disastrous flash flood event contributing to the implementation of data-driven safety measures and precautions
- Collected data on local flood events using aerial photography and other digital remote sensing techniques

ABC, Inc. Carrollton, TX

**Cartographer** Mar 2019 – Jan 2020

- Created wall maps and 15+ web-based interactive mapping applications by compiling geographic information from 1000+ sources into a usable format
  - Designed interactive web maps and cartographic representations to ease data analysis and interpretation by non-technical members
- 

## LEADERSHIP EXPERIENCE

Member, UNT Geography Student Association Fall 2022 – Present

- Assists Marketing Director with research, data collection, and content creation for website, social media platforms, and marketing campaigns
