Additional information: Before filling out the application, contact the designated Legislative Internship Program Advisor on campus. (Kimberly Bergendahl)

Description of internship provider:
The Connecticut General Assembly makes up the legislative branch of the Connecticut state government. The Connecticut General Assembly, recognizing the need to provide educational opportunities not typically available to students in the traditional setting, established an internship program to acquaint students with both the formal and informal aspects of the legislative process.

Description of internship position:
The Legislative Internship Program follows an experiential learning model. Students are engaged in a variety of research and given opportunities to participate in supplemental programming, designed to support professional development.
