

FOCUS 2 is an online, self-guided system that will help you to identify a major at this college and occupations that best suit you and develop a career and education plan.

Go to:

- <https://career.uconn.edu/resources/focus-2-identify-a-major-and-career/>
- Click on “Log into the platform here”

When logging in for the FIRST time, click on **REGISTER** under **Don't have an account? Create your own personal account now**

Enter the following **ACCESS CODE** on the self-registration page: *husky*

Work through each section, completing all requests for your input. You **MUST** save occupations and areas of study (majors) that you're interested in or no information will appear in your portfolio!

To learn more about how to discuss your results, call the Center for Career Development at (860) 486-3013.

How much time does it take to use FOCUS?

Typically, the total time spent by students the first time they use the program ranges from 1 to 2 hours. Working through the program does not have to be done in one sitting. You can log back in at any time.

Use on your phone, tablet, or any device.
