Major: Individualized
College of Liberal Arts and Sciences

Website: http://iisp.uconn.edu/internships/

Academic Year: 2017 - 2018

Individualized majors are strongly encouraged to include internships and other forms of experiential learning in their plan of study. Many individualized majors have had successful internships. The Individualized Major Program does not have its own internship course. Instead, students enroll in internship courses in relevant departments. Sample internship opportunities and other credit options can be found below.

To pursue credit options:
Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:
Internships can be found on HuskyCareerLink via huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample Internship opportunities for Uconn Individualized majors:
