Major: Physics  
College of Liberal Arts and Sciences

Website: [http://www.physics.uconn.edu/](http://www.physics.uconn.edu/)  

While this department does not offer academic credit for internships, Physics majors have had successful internships. Sample internship opportunities and other credit options can be found below.

To pursue credit options:
Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on [www.interncoop.uconn.edu](http://www.interncoop.uconn.edu). Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:
Internships can be found on [HuskyCareerLink](http://huskycareerlink.uconn.edu), or through online resources found at [www.interncoop.uconn.edu](http://www.interncoop.uconn.edu).

Sample Internship opportunities for Uconn Physics majors:
Aeronautical Research Intern, Mass Media Science and Engineering Fellowship, Photon Kinetics Intern, Applied Physics Laboratory Intern, Astronomy Research Intern

Sample organizations where Uconn Physics majors have interned:
**NASA, Society of Physics Students, U.S. Department of Energy, Rutgers University, **Lockheed Martin, **United Technologies Corporation

** (recruits at Uconn)
