Major: Science Education  
Neag School of Education

Website: http://education.uconn.edu/

While this department does not offer academic credit for internships, Science Education majors have had successful internships. Sample internship opportunities and other credit options can be found below.

To pursue credit options:
Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:
Internships can be found on HuskyCareerLink via huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample Internship opportunities for Uconn Science Education majors:
Science Policy Summer Internship, Community Outreach and Advocacy Intern, Summer Science Camp Internship, Science Education Internship with museums, non-profits, and nature conservation centers

Sample organizations where Uconn Science Education majors have interned:
