# Alcohol and Other Drugs Intern

## Department of Wellness and Prevention

### Description of Internship Provider

The Department of Wellness and Prevention is committed to providing education, opportunities, information, and resources to the university community regarding health and wellness. We strive to create an environment that promotes, encourages and supports healthy decisions and behaviors in the areas of alcohol and other drugs, sexual health, stress management and other areas of wellness.

### Description of Internship Position

The Alcohol and Other Drugs (AOD) intern will assist the Alcohol and Other Drug Education Office with ongoing projects. This includes but is not limited to, research, survey collection, data entry, development of publications, assistance with ongoing projects and other tasks as assigned. Students will learn to organize a daily log of tasks completed.
