### Description of Internship Provider

The Center for Career Development (CCD) supports students by providing programs and experiences that promote self-awareness and engagement as they identify a course of study and pursue career opportunities. Through partnership with employers, alumni, faculty, and staff, we connect students to career development resources, internships, experiential learning, and postgraduate opportunities.

### Description of Internship Position

Experiential Learning Interns help with the management, development, and implementation of the CCD Internship and Co-op programs. Students work with CCD staff to assist with growing on and off-campus internship and co-op opportunities, spreading awareness among students, conducting research and providing administrative support to the Internship and Co-op Program and the full department. For more information on specific duties of an intern, please visit the website.
