Description of Internship Provider
The Department of Wellness and Prevention is committed to providing education, opportunities, information, and resources to the university community regarding health and wellness. We strive to create an environment that promotes, encourages and supports healthy decisions and behaviors in the areas of alcohol and other drugs, sexual health, stress management and other areas of wellness.

Description of Internship Position
The writing intern will be responsible for the research and development of publications to be used by the Health Education office. The publication of focus for this internship is the Stall Street News. Students will also maintain a log of hours, required journal, description of tasks and a portfolio.
