While this department does not offer academic credit for internships, Mathematics Education majors have had successful internships. Sample internship opportunities and other credit options can be found below.

To pursue credit options:

Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:

Internships can be found on HuskyCareerLink via www.huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample Internship opportunities for Mathematics Education majors:

Education Policy Intern, Mathematics Education Research Internship, Education Internships with Science/Mathematics Museums, Research Intern

Sample organizations where Mathematics Education majors have interned:

Boston Museum of Science, University of Connecticut REU Program, National Center for Teacher Effectiveness, New England Air Museum Internship
