While this department does not offer academic credit for internships, Medical Laboratory Sciences majors have had successful internships. Sample internship opportunities and other credit options can be found below.

To pursue credit options:

Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:

Internships can be found on HuskyCareerLink via www.huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample Internship opportunities for Medical Laboratory Sciences majors:

Summer Lab Science Program, Pre-Med Research Intern, Amgen Scholar (MIT), University of Connecticut School of Medicine Summer Research Fellow, Pharmaceutical Research and Development Intern

Sample organizations where Medical Laboratory Sciences majors have interned:

Mayo Clinic, The Feinstein Institute for Medical Research, University of Connecticut, Latino Medical Student Association (Northeast), Cubist Pharmaceuticals
