

**CENTER FOR
CAREER DEVELOPMENT
INTERNSHIPS & CO-OPS**

**Major: Structural Biology and Biophysics
School/College: College of Liberal Arts and Sciences**

Website: <http://biology.uconn.edu/structural-biology-and-biophysics/>

While this department does not offer academic credit for internships, Structural Biology and Biophysics majors have had successful internships. Sample internship opportunities and other credit options can be found below.

To pursue credit options:

Academic departments that allow non-majors to receive credit for internships through their department are listed with an asterisk (*) on the “internship course listing by major” page on www.interncoop.uconn.edu. Contact the Center for Career Development for our alternative options - a one-credit internship course and zero-credit internship transcript notation.

Ways to find an internship:

Internships can be found on HuskyCareerLink via www.huskycareerlink.uconn.edu, or through online resources found at www.interncoop.uconn.edu.

Sample Internship opportunities for Structural Biology and Biophysics majors:

Research Analyst Intern, Biophysics Intern, Research Coordinator Intern, Research Administration Intern

Sample organizations where Structural Biology and Biophysics majors have interned:

University of Connecticut, Yale University, The Jackson Laboratories, Bioscience Connecticut, The Haskins Laboratory
