Literacy Tutor 2020-21, AmeriCorps

The Literacy Lab works to close the achievement gap by providing pre-K and elementary schools with evidence-based literacy intervention, full-time literacy tutors to implement the model, and assessment tools and a coaching support structure that ensures the success of the program and students. If students have an interest in education, non-profits, social justice, or community empowerment, they can consider this one-year program. Check out the [Year at a Glance](#) and [FAQ page](#) to learn more about the commitment, locations, benefits, and application process. After reviewing, students can submit an application [here](#) to be able to join the helping team.
