‘CEO for One Month’ is an initiative that offers young people the possibility to develop and showcase their leadership potential, to learn what it takes to succeed as a business leader and to acquire the skills and the experience needed to get a foot on the career leader.

At national level, the program selects one successful candidate from the applicant pool to shadow the Adecco Group’s country-level CEO for one full month, working side-by-side to experience the life of a senior business leader. In the last six years, more than 250 candidates have had this amazing opportunity. Then, ten outstanding national participants are selected for a Global Bootcamp and one will be chosen to work alongside and shadow the Global CEO of the Adecco Group for one month.

Since 2015, the ‘CEO for One Month’ has grown from 32,000 to 260,000 applicants in 2019.
