

Career Plans Survey Report

PennDesign Class of 2016

The following is based on Career Services' annual survey of graduating School of Design students. Between September 2015 and December 2016, Career Services surveyed students graduating in August 2015, December 2015, and May 2016. Of the 281 PennDesign graduates from this period who received the survey either online or in the mail, 156 students responded – a 56% response rate.

Employment Status - All Respondents

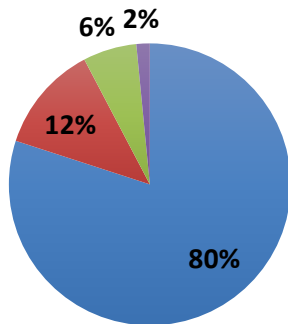

56% response rate (n=281)

Employment Status by Program

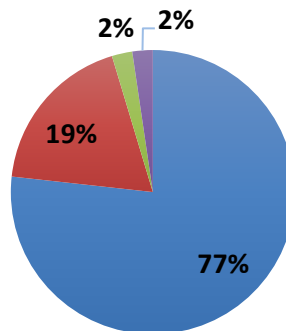

Architecture and Environmental Building Design

50% response rate (n = 129)

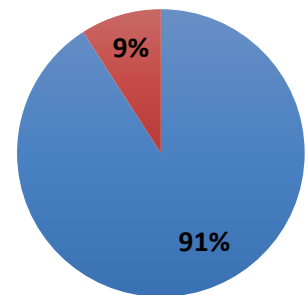

City and Regional Planning

61% response rate (n = 69)

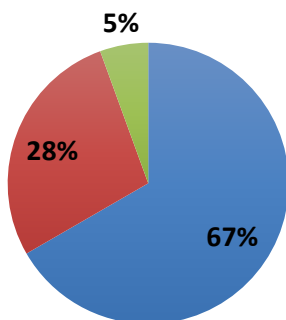

Landscape Architecture

63% response rate (n = 35)

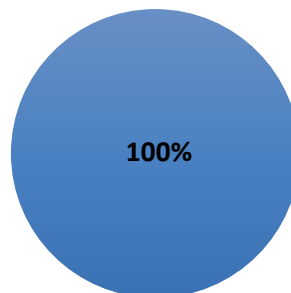

Historic Preservation

75% response rate (n = 24)

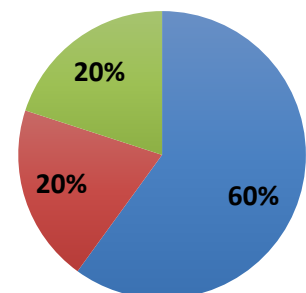

Fine Arts

19% response rate (n = 16)
**Please note this low response rate when considering the data presented.*

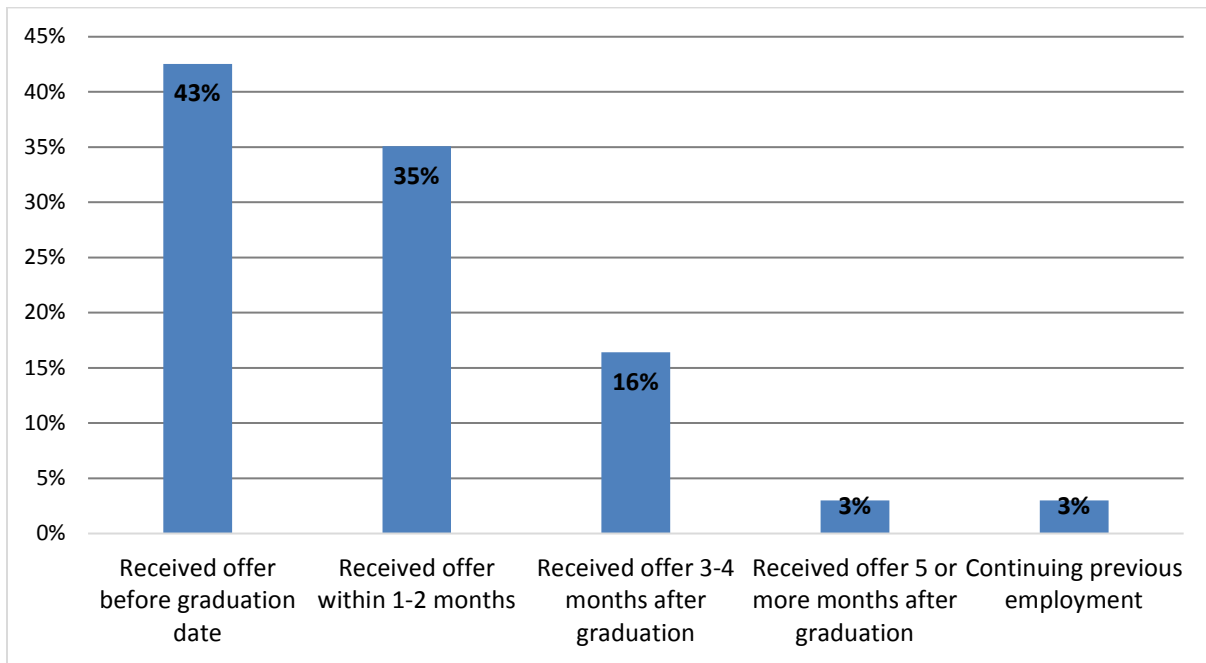

Urban Spatial Analysis

75% response rate (n = 8)

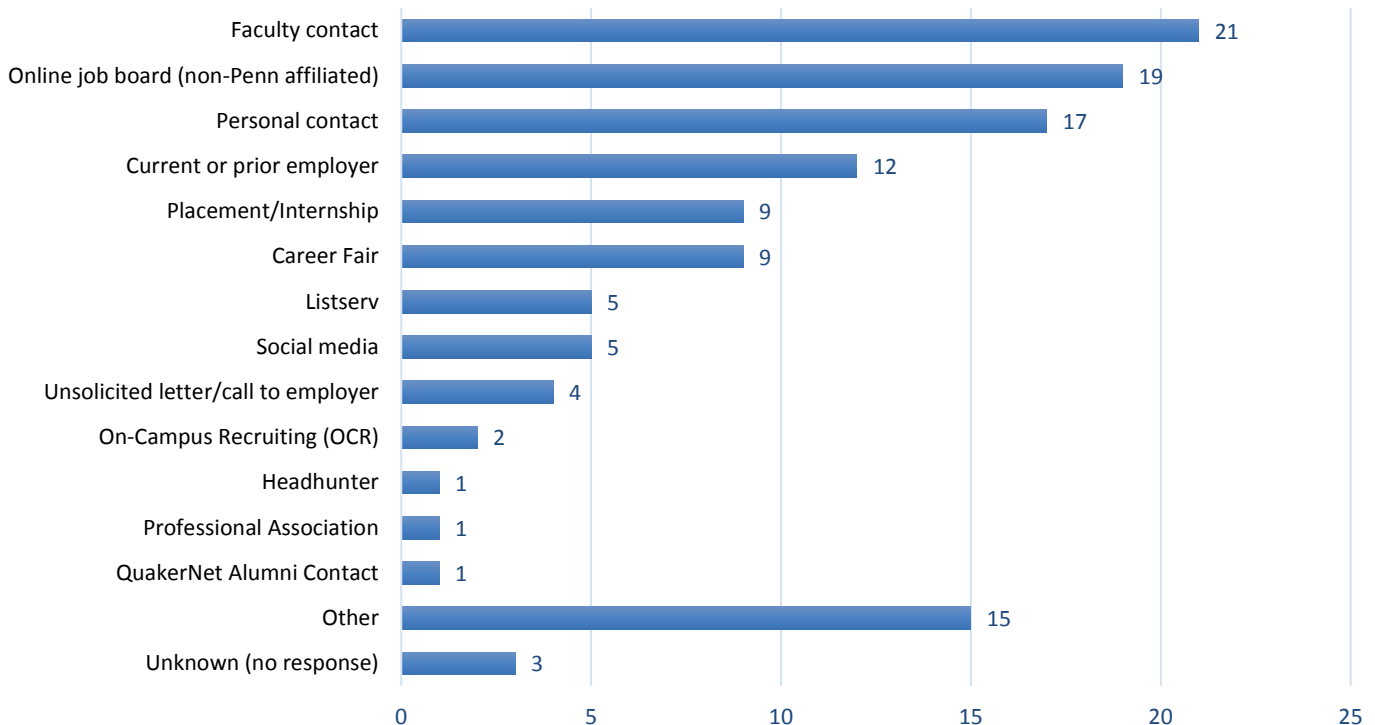

Date of Job Offer

Of the respondents who secured a new full-time or part-time position and reported their career plans, 99% listed the date of their job offer. Of those who listed their offer date, 78% received their offer within 2 months of their graduation date.

Job Source for FTE Respondents

Positions Accepted and Average Salaries

88% of respondents who secured full-time employment provided salary information. We have provided an average salary and salary range for degree programs if 3 or more graduates indicated their full-time annual salary in their response.

KEY

*Dual-degree recipients

**Indicated "Continuing Current Employment"
