Methodology

Career Services surveyed Penn undergraduates to gather information about their experiences over the summer. Student responses were collected using an online survey during the summer and fall of 2017. This report summarizes the responses from rising sophomores, juniors and seniors in the College of Arts and Sciences during the Summer of 2017. A total of 1,831 students – 753 rising seniors, 613 rising juniors, and 465 rising sophomores - completed the survey. Respondents included students pursuing dual degrees with Wharton (199), Engineering (45) and Nursing (6). The response rate among rising seniors is 48%, among rising juniors, the response rate is 38% and the response rate among rising sophomores is 29%.
