Methodology

Career Services at the University of Pennsylvania annually surveys graduating students to provide a snapshot of their post-graduation plans.

This report looks at College of Arts & Sciences undergraduates who received their degrees from August 2017–May 2018. Students were surveyed up to six months from their graduation date, with a 69% response rate. Additional information was then collected via LinkedIn and other sources, bringing the total knowledge rate up to 80%. Of the total 1,210 known outcomes, 86% came from online/phone surveys and 14% came from LinkedIn.
