

School of Nursing

Undergraduate Class of 2019

Career Plans Survey Report

Methodology

Career Services at the University of Pennsylvania annually surveys graduating students to provide a snapshot of their post-graduation plans.

This report looks at the 176 School of Nursing undergraduates who received their degrees from August 2018–May 2019. Students were surveyed up to six months from their graduation date, with a 35% response rate. Additional information was then collected via LinkedIn and other sources, bringing the total **knowledge rate** up to **60%**, a total of 105 known graduate outcomes.
