Methodology

Career Services at the University of Pennsylvania annually surveys graduating students to provide a snapshot of their post-graduation plans.

This report looks at 682 The Wharton School undergraduates who received their degrees from August 2018–May 2019. Students were surveyed through September 30th, 2019 with a 66% response rate. Additional information was then collected via LinkedIn and other sources, bringing the total knowledge rate up to 85%, a total of 582 known graduate outcomes.
