

The background of the slide is a photograph of a hospital hallway. In the foreground, the backs of several nurses wearing blue scrubs and caps are visible as they walk away from the camera. The hallway is brightly lit with white walls and a light-colored floor. The overall scene conveys a professional medical environment.

MSN SAMPLE RESUMES

FOR GRADUATE STUDENTS
IN THE SCHOOL OF
NURSING

Lisa B. Leverington, R.N., B.S.N., M.S.
487 N. 10th Street • Philadelphia, PA 19123 • 215-821-3771 • lblevering@msn.com

STRENGTHS

- Demonstrated nursing leader and manager with over eight years of clinical care experience.
- Expert clinical nursing skills in oncology and bone marrow transplantation, including Phases I-III chemotherapeutic agents, coupled with dual graduate studies in Health Administration and Health Education.

EDUCATION

St. Joseph's University, Philadelphia, PA

Dual Master of Science, Health Administration and Health Education, May 2019

- Recipient of Health Administration/Health Education Graduate Award, May 2019.
- Inducted into Alpha Epsilon Lambda Graduate National Honor Society, Omega Chapter, May 2019.

University of Pennsylvania, School of Nursing, Philadelphia, PA

Bachelor of Science, Nursing, Cum Laude, May 2013

- Member of Sigma Theta Tau International Nursing Honor Society, Xi Chapter, 2013 to present.

PROFESSIONAL EXPERIENCE

Children's Hospital of Philadelphia (CHOP), Philadelphia, PA

Department of Oncology and Bone Marrow Transplantation

Staff Nurse, Level III

August 2015 to Present

- Successfully transitioned from clinical nursing role to administrative role as Operations Nurse. Competently and cost effectively manage daily staffing of 12-16 nurses on a 35-bed inpatient-nursing unit.
- Recognized as nursing leader in dealing with difficult staff and/or family issues, solving patient problems, and representing nursing staff in interdepartmental communications and special projects.
- Co-chair of Documentation Sub-committee of Unit's Quality Improvement Committee. Facilitate improvement of computer charting and documentation to achieve compliance with regulatory and hospital standards of care.
- Core team member of unit's Joint Commission for the Accreditation of Healthcare Organizations prep team.
- Successfully gained re-accreditation for hospital, with high achievement noted for National Patient Safety Goals and delivery of high quality, safe patient care.
- Unit representative for Charting and Documentation Workgroup, for future implementation of new IT system, Sunrise Clinical Manager.
- Unit Representative for Appreciative Inquiry Nursing Workgroup. Positively encourage teamwork and celebrate accomplishments of nurses throughout the Nursing Department.
- Function as Charge/Leadership Nurse, working closely with both nursing staff and multidisciplinary team members to ensure safe, comprehensive patient care.

Staff Nurse, Level I

May 2014 to August 2015

- Served as a Primary Nurse and engaged in patient/family education pertaining to diagnoses and treatments; provided continual psychosocial support and advocacy. Collaborated with other health care team members in implementing care plans and ensuring positive health outcomes.
- Cared for the complex needs of pediatric bone marrow transplant patients, including the intense conditioning period and the acute and chronic recovery phases following transplantation.
- Participated in Nurse Extern Preceptor Program and facilitated the professional development of nurse externs as they transitioned from nursing school to the nursing profession.

Staff Nurse, Level I

July 2013 to May 2014

- Coordinated and provided direct patient care, including chemotherapy administration and blood products, to pediatric oncology patients in both the inpatient and outpatient/clinic settings.
- Served as a team leader for nursing unit in successfully completing the annual hospital-wide Mandatory Education Competencies.

Fox Chase Cancer Center, Philadelphia, PA

Department of Medical/Surgical Oncology

Staff/Pool Nurse

August to November 2014

- Provided direct patient care to adult oncology patients with both medical and surgical nursing needs.

Nurse Extern

Summer 2012

- Cared for both medical and surgical oncology patients--in particular, head and neck, lung, and gastro-intestinal-post-operative patients.

PROFESSIONAL ENRICHMENT

- "Stepping Up to Supervisor," CHOP, Center for Career Development, September 2018.
- "Customer Service Skills - The Basics, Part I," CHOP, Center for Career Development, March 2018.
- "Quality Improvement and Patient Safety," CHOP, Center for Career Development, October 2017.
- Co-author of APON poster entitled, "Enhanced Communication: The Attendance of Staff Nurses at Daily Nursing Rounds," Philadelphia, October 2017.
- "Clinical Research: A Collaborative Approach," CHOP, Center for Career Development, October 2015.
- Children's Oncology Group, "Nurses Working Together in the New Millennium," Ohio Nurses Association, April 2015 (14.6 CEU credits).
- Nurse Volunteer, Ronald McDonald Camp, August 2014.
- "Advanced Preceptor Workshop," CHOP, Center for Career Development, 2013.
- Participant of Stephen R. Covey's "Seven Habits of Highly Effective People" seminar, CHOP, Center for Career Development, November 2012.

CERTIFICATIONS

- Chemotherapy certified through the Children's Hospital of Philadelphia, Department of Oncology.
- BCLS certification from American Heart Association, valid through June 2020.

HONORS

- Clinical Scholarship, CHOP, December 2016.
- Superior Person Award, CHOP, August 2018.

Risa S. Chomsky

712 S. Percy St., Philadelphia, PA 19147 • 215-922-5609 • rchomsky@nursing.upenn.edu

EDUCATION

University of Pennsylvania, School of Nursing, Philadelphia, PA

- Master of Science in Nursing, Adult-Gerontology Acute Care Nurse Practitioner Program, Aug. 2019
- Bachelor of Science in Nursing, Dec. 2016

University of Arizona, College of Education, Tucson, AZ

- Bachelor of Arts in Education, Cum Laude, May 2013

MSN RESUME CHECKLIST

FORMAT

- Your margins are at least 0.65" on all sides and your font size is at least 10pt
- Your section headers are all spelled correctly (Spellcheck does not automatically check words in ALL CAPS)
- You have included your degree ("Candidate for Master of Science in Nursing" for example)
- You have included cities and states for each experience in all sections, and formatted them consistently. (Make sure locations are listed in the same place for each experience in every section, and use two-letter state abbreviations)
- All your experiences have dates – including months or seasons – and are formatted consistently. (Be especially mindful of alignment, spacing, how you abbreviate months, and dashes: – versus -)

ORGANIZATION

- Your "Education" section is listed before your Experience section(s)
- You've strategically targeted your audience in your "Experience" sections when applicable (e.g. "Clinical Experience," "Research Experience," "Health-Related Experience," "Leadership and Activities")
- Your experiences are listed in reverse-chronological order (most recent at the top of each section)
- There is a dedicated section for relevant skills (incl foreign languages) and if applicable, interests.

CONTENT

- You have listed relevant clinical rotations, internships or capstone projects as well as any other relevant coursework.
- You begin all phrases with precise, active resume verbs and omit passive or vague phrasing
- When applicable, you have indicated results or impact from your work in a way that aligns with the specific employer
- You along with a friend, family member, or someone else have proofread for typos
