

The Wharton School

Undergraduate Class of 2020

Career Plans Survey Report

Methodology

Career Services at the University of Pennsylvania annually surveys graduating students to provide a snapshot of their post-graduation plans.

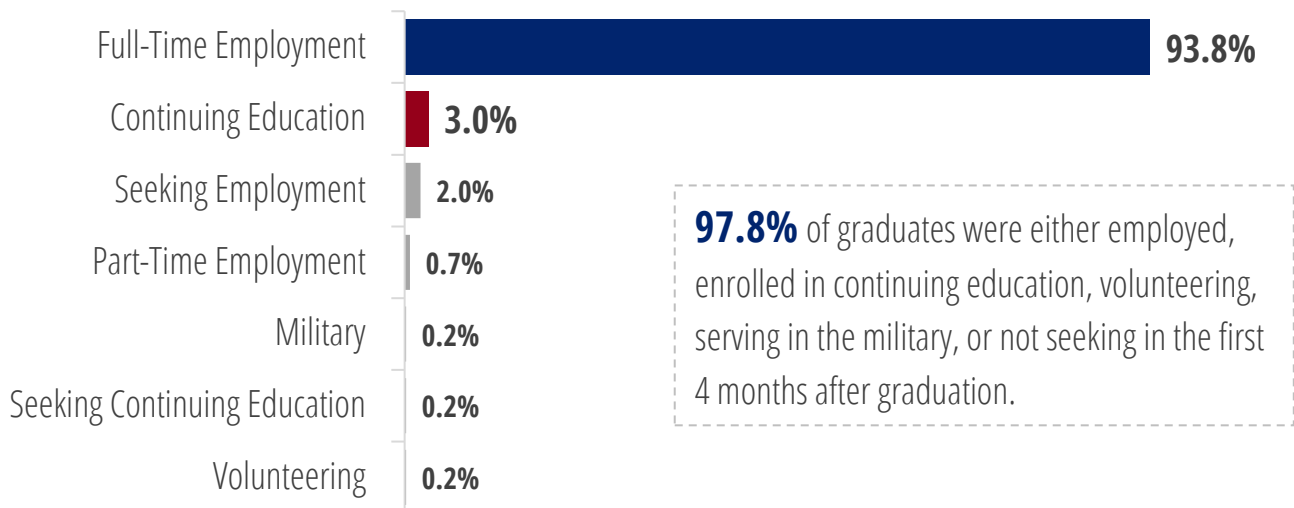

This report looks at the 687 The Wharton School undergraduates who received their degrees from August 2019–May 2020. Students were surveyed through September 30th, 2020 with a 66% response rate. Additional information was collected via LinkedIn and other sources, bringing the total **knowledge rate** up to **87%**, a total of 598 known graduate outcomes. However, given the pandemic, we realize some offers may have been delayed or rescinded.
