

School of Nursing

Undergraduate Class of 2022

Career Plans Survey Report

Methodology

Career Services at the University of Pennsylvania annually surveys graduating students to provide a snapshot of their post-graduation plans.

This report looks at the 195 School of Nursing undergraduates who received their degrees from August 2021–May 2022. Students were surveyed up to six months from their graduation date, with a 37% response rate. Additional information was collected via LinkedIn and other sources, bringing the total **knowledge rate** up to **57%**, a total of 111 known graduate outcomes.
