

CAREER CONNECTIONS

TEXAS WOMAN'S UNIVERSITY

Director of the Career Connections Center

The Opportunity

Texas Woman's University in Denton, Texas, invites applications, nominations, and inquiries for the Director of the Career Connections Center position. The University seeks an experienced, career services leader to join the [Division of Student Life](#) team, led by Vice President Dr. Monica Mendez-Grant. Reporting to the Associate Vice President for Student Engagement, Dr. Stephanie Krauth, the director will have the unique opportunity to directly influence the institution's role in building a workforce of the future for the State of Texas and its citizens. The University is embarking upon the creation of a new strategic plan in which the [Career Connections Center](#) will play a vital role in achieving goals and objectives related to workforce development. Thus, the University requires a strategic leader with the vision and creativity necessary to elevate the Center as an innovative, first-in-class resource for students throughout their educational and career journeys. Furthermore, the director must have a record of building and nurturing strong, internal and external relationships by engaging various stakeholders and constituents. Lastly, the Center needs a caring and compassionate leader with a deep commitment to the University's mission and passion for justice, equity, diversity, and inclusion.

About Texas Woman's University

Founded in 1901 as the Girls Industrial College, today, Texas Woman's University System is the first and only university system in the nation with a woman-focused mission. TWU has 16,000 students, 89% of whom are women. [Dr. Carine M. Feyten](#) became the eleventh president and second chancellor of Texas Woman's University in 2014. According to *U.S. News and World Report*, Texas Woman's University tied fourth in the nation for student diversity with 67% of the undergraduate enrollment represented by minority students, making it a majority-minority institution with designation as a Hispanic Serving Institution (Hispanic, 34%; White, 31%; Black, 20%; Asian/Pacific Islander, 11%; International/other, 4%). In addition to the flagship, Denton location, the University System also has two other campuses located in Dallas and Houston as well as an e-learning campus, offering innovative online degree programs.

Committed to transformational learning, discovery, and service in an inclusive environment that embraces diversity, Texas Woman's University inspires excellence and a pioneering spirit. The University prides itself on providing students with a high quality, well-rounded educational experience. Texas Woman's is well known for its contributions and leadership in the fields of

education, nutrition, business, the arts and sciences as well as nursing and health care professions. Accredited by the Southern Association of Colleges and Schools Commission on Colleges, the University offers the student support, class sizes, and campus esthetics more typically found at a private university. Through its varied array of program offerings, Texas Woman's empowers students, many of whom come from traditionally underrepresented populations, to succeed in all facets of life to include career, leadership, service, health, and well-being.

About Denton, Texas

Texas Woman's University's main campus is located in the historic North Texas town of Denton, in the Dallas-Fort Worth Metroplex, with a population of nearly 140,000. Denton is known for its friendly, small-town feel paired with big-city amenities. Consistently named one of Texas' and the nation's [best college towns](#), Denton offers a variety of cultural entertainment, featuring live performing arts venues, music and film festivals, museums, and historical sites.

Additionally, Denton is home to 30 parks, featuring 300 acres of open space, 3 recreation centers, a water park, and community swimming pools. In addition to hike and bike trails throughout the city, there are also nearby lakes and state parks that contribute to exciting outdoor recreational opportunities.

Overview of the Career Connections Center

The Career Connections Center operates utilizing a career consultant model, providing services to students and alumni at all three campus locations (Denton, Houston, and Dallas). Currently, the team consists of 9 staff members, comprised of 2 associate directors, 6 consultants, and an office administrator. As a department within the Student Life Division, the Center aims to:

- Provide intentional educational opportunities beyond the classroom to empower and affirm the full development of students, primarily women
- Enhance the progress and welfare of students
- Encourage students to develop and employ a variety of intellectual, humanitarian and leadership skills, which will provide a foundation for lifelong learning and service
- Recognize, support and respond to the needs of diverse populations

Furthermore, the Career Connections Center is dedicated to serving the unique needs of a diverse student and alumni population. The Center's programs and services support, validate, and celebrate students' diverse experiences by:

- Preparing and empowering students and alumni to self-advocate while navigating diverse work spaces
- Providing resources and education for staff and faculty on social justice in career development
- Actively sharing stories that represent the diversity of Texas Woman's University
- Highlighting partnerships with employers who have visible/accessible EEO statements on their website, diverse leadership teams, equitable recruiting and hiring practices, and affinity/mentoring programs
- Working alongside employers and community partners to discuss diverse perspectives, provide best practices for hiring and retaining underrepresented students, and create a more equitable future
- Actively seeking funding for scholarships to support students completing unpaid internships

Director's Role

The Director provides leadership and strategic direction to the Career Connections Center by designing, delivering and directing services offered to students and alumni. The director is responsible for all budgetary and operational management of the Department and for developing and overseeing programs, activities and services that will assist students with identifying career goals, acquiring relevant experience, and transitioning successfully to graduate education and/or professional employment. The director provides vision and leadership by implementing emerging trends within the career services field, engaging students in career planning early in their tenure at the University, providing opportunities for students to gain relevant professional experiences and advice, facilitating meaningful connections with academic departments and alumni, and cultivating strong employer partnerships. Work is performed under minimal supervision.
