I. PURPOSE

This Policy is applicable to all Jenkins graduate students. Failure to acknowledge this Policy will result in the immediate suspension of all services by the Career Management Center (CMC) unless otherwise specified by the CMC Director.

The Jenkins No Show Policy was developed to provide clear instruction to students regarding company-sponsored events that you registered to attend. This Policy is intended to help ensure all Jenkins students honor all registered commitments and to ensure that employers' investment in the engagement is valued and respected. Students may cancel reservations until one business day prior to the beginning of the registered event. A business day shall be defined as Monday- Friday from 8 a.m. to 5 p.m. excluding holidays, school-designated holidays, and weekends (see Paragraph IV). Adherence to the No Show Policy will support a positive corporate engagement experience. Examples of company-sponsored events include but are not limited to networking events, career panels, interviews, company site visits, and corporate presentations. This Policy does not apply to CMC workshops, although the same level of professionalism is expected if you have registered to attend a CMC workshop.

II. TRACKING ATTENDANCE:

1. Student check-in for each company-sponsored event is required. A CMC designee will check in each attendee based on the student registration list extracted from the online registration portal, 12Twenty. No student will be permitted to check-in another student.
2. A Student arriving late for the event will be considered a No Show.
3. The CMC designee will submit the completed event check-in list to the CMC Employer Relations /Operations Manager immediately following the event.
4. The CMC Employer Relations/Operations Manager will indicate a No show notation in the student's 12Twenty record.
5. Within 1-2 business days after the event, the CMC Employer Relations/Operations Manager will temporarily suspend the student's access to 12Twenty and will send a spreadsheet to the CMC Career Coaching Team listing all No Show students with a notation of their year-to-date (YTD) No Show offenses.
6. In addition, the CMC Employer Relations/Operations Manager will send a brief email to each No Show student (a separate email to each student) advising that our records indicate a No Show.

JENKINS CAREER MANAGEMENT CENTER (CMC) NO SHOW POLICY

This email will be sent within 1-2 business days following the event. The student will be instructed to immediately contact a Career Coach to explain the reason for the absence. The student will be advised that their 12Twenty access has been suspended until the concern is addressed.

7. It is also possible that a student who did not register to attend the event may choose to attend the event. In this case, the student's name and resume will not be submitted to the company **prior** to the session. Students who have signed up in advance will be included in the Resume Book that will be emailed to the Recruiter prior to the event. Students are strongly encouraged to register for all events in 12Twenty.

III. PENALTY ASSESSMENT

In the event a student fails to show up for a company-sponsored event to which they have registered to attend, penalties, as described below, will apply unless otherwise specified.

1. *First and Second No Show Offense:*

The student is notified via email by the CMC that our records reflect he/she/they did not show up for the event they registered to attend and their 12Twenty privileges have been suspended. The CMC will instruct the student to immediately contact a coach to explain why he/she/they did not attend the event. 12Twenty access will not be restored until the concern has been addressed.

2. *Third No Show Offense:*

A third No Show will result in the suspension of your Jenkins 12Twenty account, and you may not schedule further events, interviews, or coaching appointments. You will be required to meet with the Director of the Jenkins CMC to explain the reason for your repeated violation of CMC Policy. Due consideration will be given to restoring your Jenkins 12Twenty account and appointment scheduling privileges.

3. *No Show Offenses more than three:*

Violations of more than three No Shows will be evaluated on a case-by-case basis.

IV. STUDENT REGISTRATION DEADLINE:

The CMC Employer Relations/Operations Manager will send an email reminder to every student who registered to attend the event. The reminder email will be sent by 8am, three business days before the event. **The student registration deadline for company-sponsored events will be no later than one business day prior to the event by 8am excluding holidays, school-designated holidays, and weekends. V. COMMUNICATION REGARDING COMPANIES' OPENNESS TO HIRING INTERNATIONAL STUDENTS:

The CMC will make every effort to identify which companies are open to international hiring in support of international students making the best use of their time. It should be noted, however, that some companies may not indicate hiring preferences during the registration process.

VI. HOW TO CANCEL A RESERVATION FOR A CORPORATE-SPONSORED EVENT:

Login to your 12Twenty account. Select "Events>Signups" Find the event you wish to cancel and click the "Cancel" button.

Note: You will only be able to cancel online one business day or more in advance of the event. If you do not see the "Cancel" button, then you have missed the online cancellation deadline and must contact the Jenkins CMC directly during business hours.

Same-Day Emergencies: In the event of a sudden illness or personal emergency on the day of the event, students are expected to notify the Employer Relations/Operations Manager by email or in person as early as possible. Penalties for emergencies are evaluated on a case-by-case basis.

I have read and agree to honor the Jenkins CMC No Show Policy for my tenure in the Jenkins MBA program.
