

About You

*** Student Researcher**

*** NUID**

*** Email Address**

*** My.UNL ID (e.g. jsmith3)**

*** Home Town City**

*** State/Prov**

*** Zip Code (or postal code if non-US)**

*** Country**

When do you expect to receive your bachelor's degree?

*** Semester**

*** Year**

*** Do either of your parents have a 4-year degree?**

*** Have you previously participated in undergraduate research?**

About Your Proposed UCARE Project

*** Title of Project**

*** Which Category is the best fit for this project?**

*** Primary Location (where most of the research will be conducted)**

*** Nature of Project (Only select Team-Based here if other student(s) are also applying for UCARE to work on the same project with you. Otherwise select Individual)**

*** Will you travel abroad as part of this project?**

*** Project Term length**

If you want to do two different projects, one for summer and a different for academic year, you should submit two separate applications.

Faculty Advisor

You must have identified a willing and suitable faculty research advisor with whom you have discussed the research project described here.

*** Faculty Advisor**

*** Faculty Advisor Email**

*** Faculty Advisor Department** (searching UNL)

Research Proposal

*** Does your abstract exceed 1500 words or include charts or graphics?**

Publicity Release

The Office of Undergraduate Research and Fellowships recognizes, promotes, and celebrates our UCARE grant recipients in various media, including but not limited to UNL websites, social media, print publications, outreach presentations, and educational materials for applicants. You may also decide to provide us with testimonials, blogs, photos, videos, or other media objects.

By selecting YES below, you give permission for UNL to use, without charge and without reservation, your full name, major(s), hometown, proposal title, and proposal text, in any medium and for any lawful purpose, including promoting the institution, The Office of Undergraduate Research and Fellowships, and our programs and services.

*** Do you consent to the publicity release statement above?**

Compliance Information

* If the proposed research involves the use of animals; human subjects; radioactive materials; activities covered by federal regulations on recombinant DNA technology or biohazards; Human Embryonic Stem Cells and/or their derivatives and Human Fetal Tissue and/or their derivatives; or export laws and regulations of the United States, appropriate approvals must be obtained before an approved proposal will be funded. In addition, conflict of interest disclosure requirements must also be completed at the time of proposal submission. Applicable policies and procedures regarding research compliance are available from the Office of Research on your campus. Please indicate which of the following approvals are needed before the proposed research is initiated:

* Select all that apply

Human Subjects

- Human Embryonic Stem Cells and/or their derivatives and Human Fetal Tissue and/or their derivatives**
- Animals**
- Transgenic Animals**
- Recombinant DNA**
- Biohazards (biological agents and toxins)**
- Select Agents**
- Radioactive Materials**
- Regulated Plant Materials (Greenhouse)**
- Regulated Plant Materials (Field Release)**
- None of the above**

*** Do you, or your immediate family members, project personnel, or their immediate family members have any conflicts of interest or conflicts of commitment related to this project?**

Export Controls

*** Does the proposal or work:**

- Prohibit or restrict publications or dissemination of results?**
- Prohibit or restrict participation by foreign nationals?**
- Involve the use or development of sensitive technologies, including space, military, nuclear, or other dual-use technologies?**
- Involve travel outside of the United States?**
- Requires shipment of equipment, materials or data or providing payment to a foreign national or entity?**
- Require purchasing or obtaining equipment, materials or data from a foreign source?**
- None of these apply to this proposal**

Grand Challenges

Does the proposed project support one or more of UNL's grand challenge thematic areas?
