Consulting Companies

Consulting Company Name	Brief Company Description	# Empl.	Website
UMT Consulting (acquired by EY)	UMT is a thought leader in project and portfolio management consulting, software products and training. UMT consultants provide end-to-end premier implementation and adoption services. We drive results using proven methodologies, technical expertise, training delivery and integrated solutions. UMT offers best in class software products based on hundreds of successfully completed client engagements over the last 20 years.	279	http://www.umat.com
CAPCO Energy Solutions (formerly SunGard)	Capco Energy Solutions is the Energy industry focused division of Capco, a fully independent, global management and technology consultancy. For nearly 20 years we have combined innovative thinking with deep industry knowledge to deliver business consulting, digital transformation and technology services to energy markets including Commodity Trading & Risk Management; Utilities & Retail Energy; Transportation & Logistics; and Oil & Gas. Our collaborative and efficient approach helps clients reduce costs, and manage risk and regulatory change while increasing revenues. We are thinkers, innovators and disruptors. We are small enough to care, but large enough to matter.	428	https://www.capco.com/energy

Opportune	Founded in 2005, Opportune LLP is a leading global energy consulting firm specializing in adding value to clients across the energy industry, including upstream, midstream, downstream, power and gas, commodities trading and oilfield services. Our growth is directly attributable to the value we add to our clients. We are uniquely positioned to add this value as a result of the energy expertise of our experienced teams, which can be smaller and less intrusive.	201-500	http://www.opportune.com
Enaxis	Founded in 2002 as XMC Inc., Enaxis Consulting is the brainchild of Dhiren Shethia and Jonas Georgsson. There are no stroke-of-genius moment stories detailing scribbles on the back of a cocktail napkin, nor any brilliant insights – rather a simple belief in being able to make the proverbial “better mousetrap”. After years at a large global consultancy, the duo realized that there is a unique market opportunity for high quality advisors whom clients can trust and depend on without paying for the large firm overhead (in the form of obnoxiously high rates). Thus they started their journey to create a firm that clients would actually like, and employees would actually be proud to be a part of.	NA	http://www.enaxisconsulting.com/about/
West Monroe Consulting	West Monroe is a progressive business and technology consulting firm that partners with dynamic organizations to reimagine, build, and operate their businesses at peak performance. Our team of more than 950 professionals is comprised of an uncommon blend of business consultants and deep technologists. This unique combination of expertise enables us to design, develop, implement, and run strategic business and technology solutions that yield a dramatic commercial impact on our clients’ profitability and performance.	950	http://www.westmonroepartners.com

Hart Energy	A leader among energy information producers, HART ENERGY (Hart Energy Publishing, LLLP), provides data, text and direct commentary about energy markets and technologies from sources worldwide. HART ENERGY adds value through aggregation, organization and analysis to produce databases, information and insights. Distributed through diverse media channels, from print and online (magazines, directories, web sites) to events (conferences, webinars), research (multi-client and primary studies) and custom publishing, including mapping. Collectively, Hart Energy's experts deliver an unmatched body of Actionable Intelligence (TM) for businesses and investors engaged in today's global energy markets.	51-200	http://www.hartenergy.com
Pcubed	Pcubed, a global management consulting firm focused on delivering business transformation, program and portfolio management, and MI-GSO, the leading European project management consultancy, combine their strengths to form a group: - of over 1,200 expert Consultants, - operating in Europe, North America, Asia and Australia, - with a wide industry expertise addressing Aerospace, Automotive, Rail, Defense, Energy (Utilities and Oil & Gas), Financial Services, Telecom, Technology & Media, and Public Sector.	508	http://www.pcubed.com
